

MESSAGE FOR U.S. CITIZENS

U.S. Embassy, Manila, The Philippines

August 5, 2014

THE EMBASSY OF THE UNITED STATES IS TRANSMITTING THE FOLLOWING INFORMATION THROUGH THE EMBASSY WARDEN SYSTEM AS A PUBLIC SERVICE TO AMERICAN CITIZENS IN THE PHILIPPINES. PLEASE DISSEMINATE THIS MESSAGE TO ALL U.S. CITIZENS IN YOUR ORGANIZATION OR NEIGHBORHOOD.

Ebola Virus Disease (EVD) Information and Resources

The U.S. Embassy would like to inform U.S. citizens that at this time, there is no information indicating that Ebola is present in the Philippines, and medical authorities believe there is a low probability that such an outbreak may occur here.

The U.S. Centers for Disease Control and Prevention (CDC) have recently issued information and guidance, including a travel notice warning against travel to Liberia, Guinea, and Sierra Leone. See the CDC's website at <http://www.cdc.gov/vhf/ebola/outbreaks/guinea/index.html>.

The World Health Organization (WHO) has also published information on the Ebola outbreak on its web site, <http://www.who.int/csr/disease/ebola/en/>.

The Embassy urges anyone travelling to these countries to take this information into account.

The Embassy is located at 1201 Roxas Boulevard, Manila, Philippines and is open 0730-1600, Monday through Friday. The Embassy's main telephone number is (+632) 301-2000. U.S. citizens can dial this number and ask to be connected to the American Citizen Services (ACS) unit or with the Embassy Duty Officer (for calls outside of normal business hours). You can also contact the ACS unit through email at ACSInfoManila@state.gov or through the [Embassy Facebook page](#). Please visit [our website](#) for information on all services offered by the ACS unit.

We strongly recommend that U.S. citizens traveling to or residing in the Philippines enroll in the [Department of State's Smart Traveler Enrollment Program \(STEP\)](#) at www.Travel.State.Gov. STEP enrollment gives you the latest security updates, and makes it easier for the U.S. embassy or nearest U.S. consulate to contact you in an emergency. If you don't have Internet access, enroll directly with the nearest U.S. embassy or consulate.

Regularly monitor the State [Department's website](#), where you can find current [Travel Warnings](#), including the [Travel Warning for the Philippines](#), Travel Alerts, and the Worldwide Caution. Read the [Country Specific Information for the Philippines](#). For additional information, refer to ["A Safe Trip Abroad"](#) on the State Department's website.
